Instruction:

INT: Read out answer options! *[Antwortoptionen vorlesen!]*

Answer Categories:

An Islamic community *[Einer islamischen Religionsgemeinschaft]*
A Jewish community *[Einer jüdischen Religionsgemeinschaft]*
A Buddhist community *[Einer buddhistischen Religionsgemeinschaft]*
A Hindu community *[Einer hinduistischen Religionsgemeinschaft]*
Another religious community, namely: *[Einer anderen Religionsgemeinschaft, und zwar]*
Don't know [Weiß nicht]
No answer [Keine Angabe]

Cognitive Techniques:

Specific Probing

Findings for Question:

Intention of the question:
Question 7 is addressed exclusively to respondents who state in question 5 that they belong to another religious community.

Findings:
The frequency distributions of the answers are shown in table 5. As can be seen from table 5, no test person in the pretest belonged to a non-Christian religious community, which is why question 7 could not be tested.

Recommendations:

Question 7 could not be tested.
