Findings for Question:

Of the 13 test persons who were employed by a second employer, five test persons (TP 03, 06, 07, 09, 14) were employed by a third employer. The spontaneous remark of TP 06 reveals a problem that is important for foreign citizens. TP 06 comes from France and is not sure whether she should include the temporary jobs she did not do in Germany: *"I used to work in France. Does that also apply? I thought only things in Germany counted."* Finally, the TP decides "yes".
